VOLUNTEERS SOUGHT

If any residents are willing to volunteer to help other residents during these difficult times, please let us have your contact details so that we can share them with anyone in need.
If you know an elderly or vulnerable neighbour, please feel free to offer them assistance directly during these difficult times.

SOCIAL DISTANCING

We appreciate that with schools closed for the foreseeable future, it will be a struggle to keep children occupied. However, please remember that playing outside in close proximity to others increases the level of risk to everyone.

HOUSING OFFICER

Asad (Ash) Hussain has now left the TMO. We will be recruiting a replacement shortly.

REPAIRS SERVICE

For the foreseeable future, we will only be able to guarantee carrying out emergency and urgent repairs inside your home.

These include heating and hot water breakdowns, leaks, blockages, lift breakdowns, emergency plumbing and electrical repairs and urgent health and safety works.

Any non-urgent work will be put on hold until the public health restrictions are lifted.

Please only report a repair if it meets the criteria as an emergency or urgent repair.

CLEANING & CARETAKING SERVICE

You will have received a recent letter from Cllr Apak which advised that changes are being made to the cleaning and caretaking service from 6 April.

These changes do not apply to TMO run estates and Steve Bartell (Caretaker) and Murphy Adekola (Estate Cleaner) will continue to carry out their duties on the Estate as at present.
